<b>1:00 to 2:00</b>		Technology	Music	Art	Guidance/Library	Students will go to their google classroom to log in to that special's link sent out
<b>2:00 to 3:35</b>		RTI / Advisory Homework help	RTI / Advisory Homework help	RTI / Advisory Homework help	RTI / Advisory Homework help	I will be available to help out with any questions students have and then do some RTI activities with the class.

\*Students will log in to the link shared with them each day through their gmail so they can be live with class. I will also use Google Classrooms to push out work to students. I will post assignments and messages in each subjects stream. We will also use the Wonders Website for ELA. I will be live for the lessons and then give students time to work independently on work to practice what was just taught. Your child may need blank paper to work on and then take a picture to send it to me in email. If for some reason your child missed a lesson please have them check their gmail and google classroom for recorded lessons.
