# Classroom Newsletter

**November 17, 2026**

## What We Are Learning

Math- Students are working on writing the division equation for a given picture.

Reading: We finished Charlotte's Web last week. This week we will work on making connections between different texts.

Social Studies- This week we will be learning our state's geographic features help settlers come to Missouri and westward.

Science- Students are completing their animal adaptation research and will be working on their presentation.

## Reminders

Weekly updates:
Students should have 12 IXL skills completed by the end of the week.
AR- Students should be at least at 50% of their goal by last week. Good news most students are at their goal or close.

## Upcoming Events
