

OCTOBER

NEWSLETTER

LEARNING

Math- Testing over chapter 3 on Thursday. Then we begin working on multiplying by multiples of 10 and 100.

Reading- Reading Charlotte's Web and placing new events on a plot mountain to help understand the story.

Language- working on applying what we have learned to fix sentences that have errors.

Writing; Students are writing different personal narratives and will be picking one story to have a peer edit before publishing.

Social Studies- exploring Missouri's landscapes and how the different areas have different landscapes.

Science- Investigating different animal adaptations and explaining how the the adaptations help the animals to survive.

FALL PARTIES

Students are allowed to bring treat bags for all students in their class, but have to be eaten at home. No candy can be eaten at school or on the school bus.

Students can wear their Halloween costumes on October 30, to school. There will be a parade of students at 3:15 during the party. If you wish to see your student in the parade please join us in front of the school and students will walk by.

IMPORANT DATES
