

Mrs. Jessen's Classroom Newsletter

WHAT WE ARE LEARNING

Math- We will test on Thursday over our rounding and addition and subtraction unit.

Reading- This week will be reading a story about how family traditions make us special.

Language- Students will work on identifying the verbs in a given sentence. They will also be exploring what guide words are and how they help us.

Social Studies- Students will be using their knowledge of our neighboring states to create travel brochures.

Science- We are exploring inherited traits and acquired traits in humans, plants, and animals.

REMINDERS

- ✓ If your child is wanting to apply for a spot on the Student Ambassadors they need to complete the forms and return this week.
- ✓ Just a friendly reminder we have PE and library on Wednesday this year

EVENTS

September 9th

Mrs. Jessen will be gone that day.

September 18

Progress reports emailed home.
